Industrial Automation

ok. Today, I'm stay in the Robot Room of Mechatron

I/O

Switch 1 = Start System

Switch 2 = Move left

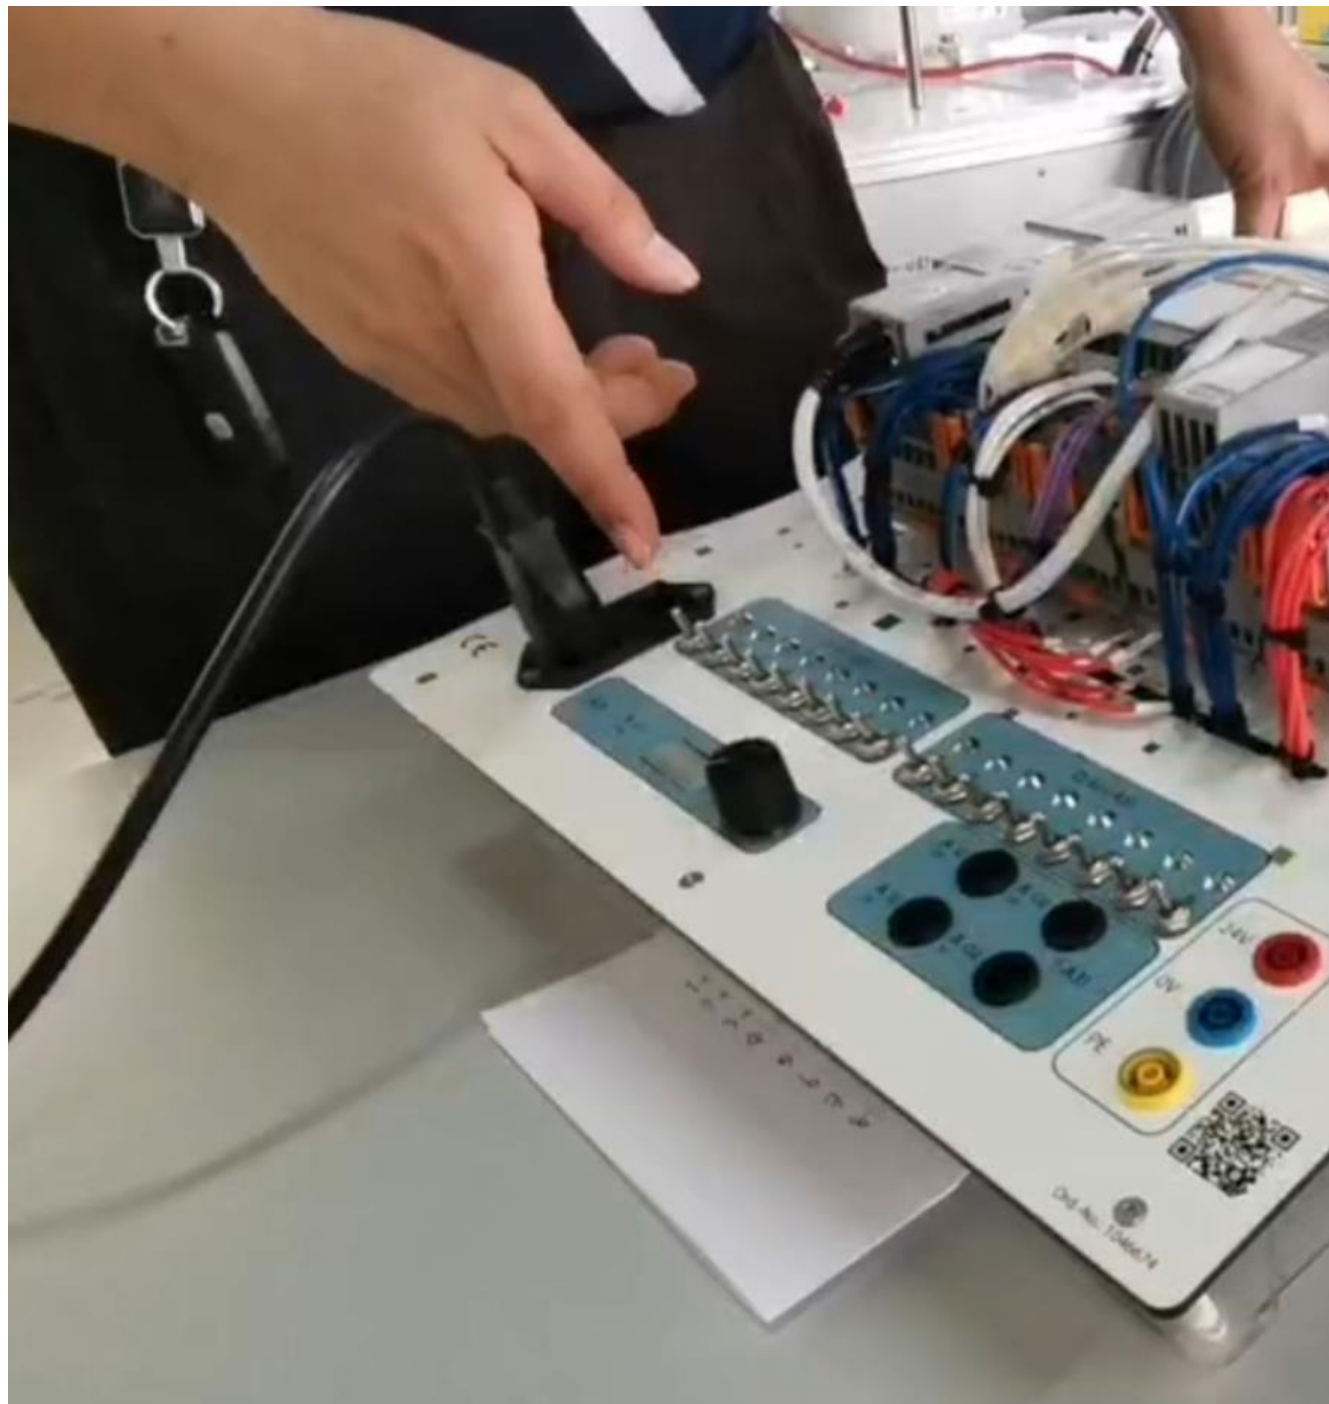

Switch 3 = Move right

Switch 4 = Pick and place Obj.1

Switch 5 = Pick and place Obj.2

Switch 6 = Pick and place Obj.3

Switch 8 = Reset

I/O

Switch 1 = Start System

Switch 2 = Move left

Switch 3 = Move right

Switch 4 = Pick and place Obj.1

Switch 5 = Pick and place Obj.2

Switch 6 = Pick and place Obj.3

Switch 8 = Reset

A man in a dark blue polo shirt with a white stripe on the sleeve is working on a robotic assembly in a laboratory. He is focused on adjusting a component on a metal plate. The lab is equipped with various robotic workstations, including one with a white robotic arm. Large windows in the background provide natural light. The text 'Switch 2' and 'Move left' is overlaid on the right side of the image.

Switch 2

Move left

Switch 6

Pick and Place Object 3
